***To assure the success of your education program, it is essential that you and your family become acquainted with the sacrifices that will be involved as you take charge of your child's education. The success or failure of your program will rest solely with you and your family, and not with Family Tree Private School. The authority of the family, and the ability of parents to apply good practices in implementing an education program are elements that determine the success or failure of the program.***

Should you have any questions while you are filling out the application, please do not hesitate to contact me.
